CEASE AND DESIST

Dear Mrs. Lilian Orchard,

You are hereby directed to

CEASE AND DESIST ALL HARASSMENT
AND CYBERBULLYING AND DEFAMATION
OF MY CHARACTER AND REPUTATION

This CEASE AND DESIST ORDER is to inform you that your persistent actions including but not limited to:

- Twisting words and speaking lies about my conversations with Patchwork Heart.
- Deliberately and maliciously placing calls reasonably expected to be private in a public sphere for the intent of defamation.
- Using your fanbase and friends to send repeated and unrelenting harassment and false-flag my videos or videos I worked in, especially the Brony D&D videos as shown below.

What can we do to help pressure Josh to get off his lazy ass?
Turn his own tactics back against him. Spam-dislike his videos, flood his comments, raid his streams would probably be the most effective.
It's not a matter of reasoning with him anymore. We all tried to reason with him, and he gave a resounding "Go fuck yourself."

- Threatening physical harm / to kill me / saying I should die.
- Repeated and relentless use of ad hominem attacks against me in public settings.
- Stealing my ideas simply to spite me.

-have become unbearable. The examples above are but just a few of the many instances of your tormenting behavior. In particular, the willful misuse of information and clearly self-stated exploitation of your reputation to convince your followers to harass me is blatant cyberbullying. You are ORDERED TO STOP such activities immediately as they are being done in violation of the following Canadian law:

- Cyberbullying and Digital Harassment – Conflict, Consequences, Citizenship [11-12] - Handout 11-12.3 Section 264

I have the right to remain free from these activities as they constitute harassment and cyberbullying, and I will pursue any legal remedies available to me against you if these activities continue. I have consulted with a law firm and they have confirmed remedies include but are not limited to: contacting law enforcement to obtain criminal sanctions against you, and suing you civilly for damages I have incurred as a result of your actions.

I have also learned that you have engaged in spreading false, destructive, and defamatory rumors about me.

Under American and Canadian law, it is unlawful to engage in defamation of another's character and reputation. Defamation consists of:

(1) a statement that tends to injure reputation;
(2) communicated to another; and
(3) that the speaker knew or should have known was false.

Your defamatory statements on your Tumblr blog involved claiming but not limited to:

- I bullied Patchwork Heart into relenting about "Brony D&D."
- I said "wildly racist" things when you were working for me.
- I am a fake Marine.
- I am a fake Christian.

Under Canadian Criminal Code (R.S.C., 1985, c. C-46) Section 298, this is defamatory libel.

This letter acts as your final warning to discontinue this unwanted conduct before I pursue legal actions against you. At this time, I am not filing civil suit against you, as I hope we can resolve this matter without authoritative involvement. I am not under any circumstances, however, waiving any legal rights I have presently, or future legal remedies against you by sending you this letter. This order acts as ONE FINAL CHANCE for you to cease your illegal activities before I exercise my rights.

Again, you must IMMEDIATELY STOP any and all mention of me or projects I am involved in and send me written confirmation that you will stop such activities. You risk incurring severe legal consequences if you fail to comply with this demand.

To ensure compliance with this letter, and to halt any legal action I may take against you, I require you to fill in and sign the attached form and scan or fax it back to me within ten days of your receipt of this letter. Failure to do so will act as evidence of your infringement upon my legal rights, and I will immediately seek legal avenues to remedy the situation.

If you do not comply with this cease and desist demand within this time period, I am entitled to seek monetary damages and equitable relief for your defamation. In the event you fail to meet this demand, please be advised that I will pursue all available legal remedies, including seeking monetary damages, injunctive relief in the form of a restraining order, and a court order that you pay court costs and attorney's fees. Your liability and exposure under such legal action could be considerable.

I recommend that you consult with an attorney regarding this matter. If you or your attorney have any questions, please contact me directly.

Regards,

Joshua Burner
